

Agenda Apolloon op Google Calander (via PC)

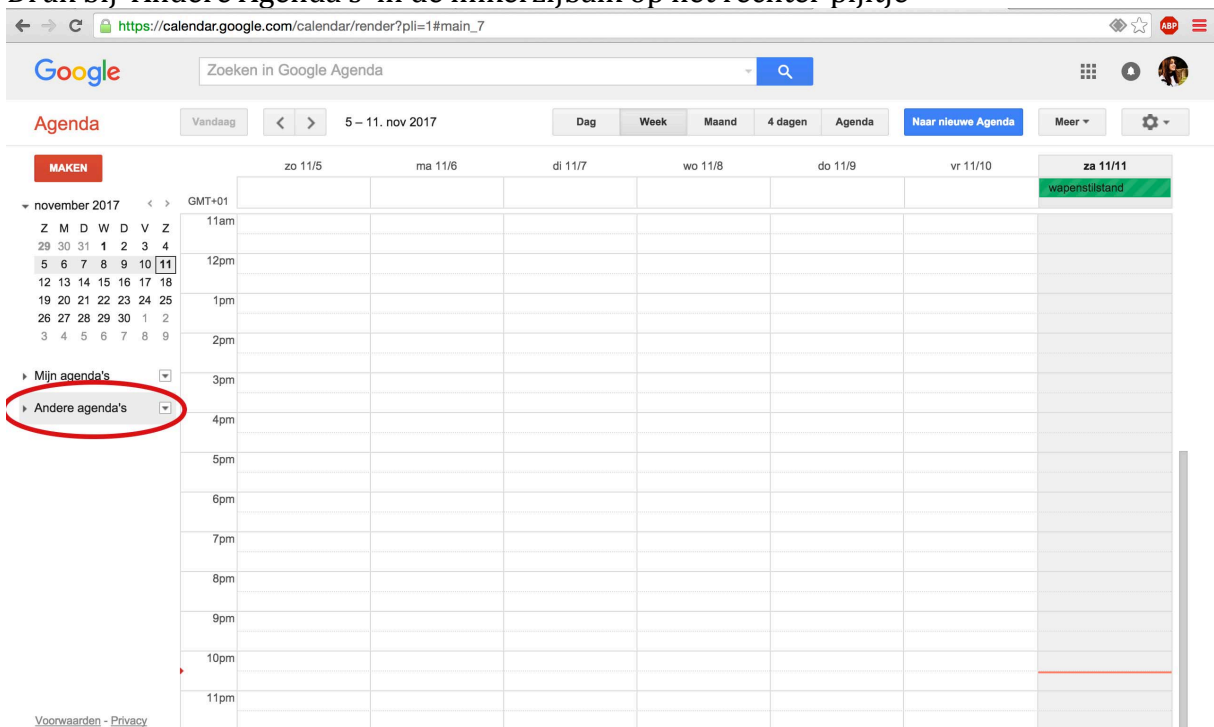

Stap 1

Ga op je Google account naar 'agenda'

Stap 2

Druk bij 'Andere Agenda's' in de linkerzijbalk op het rechter pijltje

Stap 3

Kies voor 'Toevoegen via URL'

The screenshot shows the Google Agenda interface for the week of November 5-11, 2017. A dropdown menu is open over the calendar grid, listing several options. The option 'Toevoegen via URL' is circled in red. Other options include 'De agenda van een kennis toevoegen', 'Door interessante agenda's bladeren', 'Agenda importeren', and 'Instellingen'. The calendar grid shows a 'wapenstilstand' event on Saturday, November 11th.

Stap 4

Vul volgende URL in '<http://apolloon.org/events/rss?ical=1>'

Druk op 'Agenda Toevoegen' en je bent klaar

The screenshot shows the Google Agenda interface with the 'Toevoegen via URL' dialog box open. The URL 'http://apolloon.org/events/rss?ical=1' is entered into the 'URL:' field and is circled in red. Below the URL field, there is a checkbox for 'Wil je de agenda openbaar toegankelijk maken?' which is currently unchecked. At the bottom of the dialog box, there are two buttons: 'Agenda toevoegen' and 'Annuleren'. The background calendar grid is visible but dimmed.
